

On the 24<sup>th</sup> to 25<sup>th</sup> November Innovative Knowledge Institute is holding a Seminar **Train Teachers to Work in a Culturally Diverse Environment** in Paris you can join in by Webinar every day at 9:30am to 4:30pm for the two days Seminar or just book a slot for the subjective you would like to take part in.

This seminar is designed for education professionals who work in today's multicultural environment. Many schools have to face the new wave of multicultural classrooms; Personnel need to be trained for high performance in dealing with different students' origins. This seminar provides the introduction to such training and to an understanding of the cross cultural field.

You will be able to listen to other colleagues in the same profession of their experiences and participate with your understanding. You will learn new skills and be able to take your knowledge and understanding back with to share with your School, College, University. Not only when you have taken part in this Seminar this will help towards the Well-being of your students and colleagues.

## Course objectives:

### **I- Introduction**

- Teaching Diverse Learners
- Resources for Multiculturalism and Diversity:
